Game description

"Really Easter will surely put everyone in festive mood. Gamzix created the slot to be fun and easy to play even by new players. The graphics are simple and full of lively colours. The Really Easter game has a high RTP of 96.2% with 3 reels and 5 paylines. Everything that is associated with Easter – colored eggs, fluffy rabbits, green meadows and flowers – will appear in the slot. The rest of the symbols are fruits that double the win when filling the whole layout. Easter-themed Gamzix slot can be described as cute, fun, and profitable. "
