HOT BET  
MIDAS FUNCTION

### MIDAS FEATURE in HOT BET

This function can start randomly when WILD appears on the 2,3,4th reel. If the function has triggered, then WILD will turn and display the symbol which will be substituted by WILD. This function is only available in HOT BET mode. When the HOT BET mode is on, the player also activates an alternative set of reels. In this case, the player's bet becomes 2 times more with the same payments for winnings.
