## BONUS GAME

Collect symbol grants all the wins from other Bonus symbols, currently on the reels.

Double symbols may appear only in the Bonus Game and double all the winnings of other Bonus symbols on the screen including Bonus Jackpot symbols.

6 or more Bonus symbols anywhere on the reels trigger the Bonus Game with 3 spins. Each time a new symbol is landed, the position becomes locked and the spin counter resets to the initial 3 spins. The Bonus Game can be triggered in both the main game and Free Spins.
