The Bonus Game can be triggered in both the main game and Free Spins. Rows 5 and 6 are inactive at the beginning of the Bonus Game. Additional rows unlock when an Expand symbol lands during the Bonus Game and activates 1 extra row.

On row 5th only Bonus symbols from 10 to 16 times the bet, Collect, Payer, and Jackpot symbols can land. On row 6th only Collect, Payer, Jackpot, and special Grand symbols can land.
